When Ordering:

*The first pose is included with your print order.
There is a \$15 Retouching, color correcting and handling charge for each
additional pose you choose to order from.
Ex: ordering from 3 poses = \$30*

All prints 8x10 and larger include deluxe lacquer protective finishes at no extra charge. This allows for framing your prints without requiring protective glass and the usual unwanted glare that glass has. Prints 8x10 and larger are mounted and ready for framing.

All of our portraiture automatically includes blemish retouching. Additional retouching for braces, scars, red eyes, unwanted shine, stray hairs, etc. can be done upon your request for a nominal charge. Ask for an artwork quote.

** Prices are subject to change without notice. Prices do not include 5% MD sales tax.**
